

Anchoring

- ✓ To fix in ground with concrete

Measurements

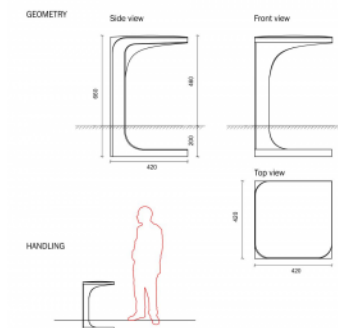

- ✓ 42x42x66 cm - 60 kg

Finocrete Seat Els IPV Delft created a contemporary seat Els. From the U-shape, the pedestal is incorporated into the paving, creating the effect of a single leg coming out of the ground. This is only possible in Finocrete (special concrete with high resistance made with fibers so no need for steel reinforcement). Finocrete is only available in 1 finish but in 3 different...

Colours and Finishings

- ✓ UHPC FINOCRETE VISIA
