

Public street furniture and large slabs - Zeesheldenplein, Ostend, BELGIUM

Location: Ostend (BE)

Public Space

Project details

For the Zeesheldenplein in Ostend, Urbastyle manufactured public street furniture, step units, large slabs, public fountain slabs, flood protection walls. Following the coastal defense measures to protect the city of Ostend against a 1000-year storm, the Zeesheldenplein was designed. The objectives such as coastal defence and an acceptable urban planning context are perfectly combined here. The measures in function of the coastal defence are part of the square. The large...
