

# Large sized slabs, water feature and plinths - Zuidzicht Hasselt, BELGIUM

Location: Hasselt (BE)

Buildings

## Project details

Buro Il & Archi+I designed the Zuidzicht building for which we supplied Fasonado large sized slabs, water feature and plinths. The canal basin in Hasselt was upgraded. One of the projects is Zuidzicht, designed by Buro Il & Archi+I. The relationship with water, light and beautiful views formed the starting points of the project. Most of the flats have a view of the water. The paths in the courtyards between the 4 buildings were executed with white and anthracite Fasonado large...
