

ADMB building – picnic tables and benches made of UHPC, Ghent, BELGIUM

Location: Gent (BE)

Finocrete UHPC

Project details

Picnic tables and benches in a fair faced finish, made of UHPC - Ultra High Performance Concrete, installed in the patio area of the ADMB building in Gent. Group ADMB and UNIZO have joined forces to bring the services of different worlds at one crossroad and built a new office building in Gent. No one likes to sit inside an office the whole day when there's beautiful weather outdoors, employees want to get out, enjoy the nice weather and have lunch together on their picnic tables....
