Paving & Slabs

## Project details

Diamond-shaped tiles and steps for of the Rivierenhof Campus in Deurne, Antwerp. The provincial network is growing steadily. With 382 pupils, the campus Rivierenhof was bursting at the seams. A new building was an absolute necessity. With this new building 220 extra places were created. The expansion fits in with the plan for a thousand new places in the entire Antwerp provincial education system. That's wasn't easy in a park like the Rivierenhof. Architecture...
