

SA'ADA RESIDENCE, MANAMA, BAHRAIN - NUTON

Location: MANAMA, BAHRAIN

Public Space

Project details

The Sa'ada project adds value to the community, economy and heritage. It linked Muharraq Souq to the water edge. The fully accessible public waterfront has shaded terraces and parking. The walkways along the buildings are equipped with dozens of nuton planters that offer residents and visitors a pleasant resting place next to the green plants. Supplied by our local partner: Kazernooi Building Products
