

Bench Arch, U-bench with rounded edges

URBASTYLE
CONCRETE STREET FURNITURE

Measurements

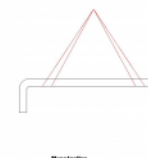

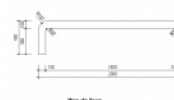

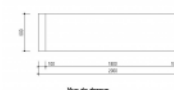

✓ 370kg

A U-bench with rounded edges. That is our precast concrete Bench Arch. We have several U-bench type design benches in our program, but the Bench Arch is the only one with rounded edges. These rounded edges give it a more modern look, but it still provides comfortable seating. Available in all our standard colours and finishes. Freestanding or possibility for anchoring with threaded...
