

Îlot ancien Hôpital Vertou

Location: Vertou, Nantes (FR)

Public Space

Project details

In the very center of the city of Vertou, this very nice project links commerces, public services (library in the former hospital of the city, parking, church, cemetery,...) and living areas. Concrete steps, benches and planters are making of this meeting point between areas a very beautiful and inviting place. Look at the detail of the bench with its inside part making it hollow and possibly convertible in the future for another use as planter, fountain or to access cables or...
