

# Large size slabs for the Queen Elisabeth Hall in Antwerp, BELGIUM

Location: Antwerp (BE)

Paving & Slabs

## Project details

Stairs and ramp at the side entrance of the Queen Elisabeth Hall in Antwerp: a set of step units, large size slabs, wall cladding and copings. The Queen Elisabeth Hall has an exceptional history and has always been closely linked to the Zoo of Antwerp. The stairwell that served as a connection to the zoo for years needed a thorough renovation. The designers ensured that the look and feel merged seamlessly with the beautiful historical building. Before the large size slabs, step units,...
