Project details

In narrow consultation with Urbastyle, our partner Mafoder supplied picnic tables and litter bins for the Bouskoura-Merchich Forest in Casablanca. The project of landscaping and recreation of the Bouskoura-Merchich forest is finished! Good news for the "Casablancais", the new part of the Bouskoura forest with picnic tables, litter bins and steles is fully developed and is open to the public. Mafoder produced and delivered 650 benches, 200 picnic tables, 100 litter bins, 200...
