

New Dubai Fertility Center, Al Jadaf, Dubai, UAE

Location: Al Jadaf, Dubai UAE

Projects

Project details

Red polished benches for Dubai Health Authority We supplied in total 15 benches in four different dimensions of our 'Dome' bench for the new Dubai Gynaecology & Fertility Center at Al Jadaf, Dubai. The lengths of the benches go from 50cm up to 490cm per element. The colour is custom made red and the finish is polished. The main consultant for this project was National Engineering Bureau. The landscape contractor: Green Dunes Landscaping and Swimming Pools...
