

Seat Cloud

Anchoring

- ✓ 1x M12

Measurements

- ✓ ZB.CL.01 - seat - 25" x 16" - 520 lbs

Cloud seat - popular seat! The Cloud Seat has a truncated egg shape - narrow at the bottom and wide towards the top. Like sitting on a cloud, this concrete seat works as a single product or combine multiple in a row to fit any space. The Cloud can not only be used as a seating block but also as a bollard to separate your public space....

Colors and Finishings

- ✓ Acid Wash
- ✓ Weatherstone
- ✓ Ground & Polished
