

The Paperboat Collection

URBASTYLE
MOBILIER URBAIN EN BÉTON

The Paperboat Collection by Crous Calogero Ideal for dreaming away in coastal areas, riverbanks, squares, schools, museums... the list is endless. The Paperboat Collection contains two products that can help create a whimsical and childlike scene. Although these are an ideal product near water, the slight slope of each product will allow water to drain away to help stay dry...
