

Stairs and ramp – Town centre, Ingelmunster, BELGIUM

Location: INGELMUNSTER (BE)

Public Space

Project details

For the renewal of the town centre of Ingelmunster we supplied stairs with a ramp, plinths, water features and step units. The Town centre of Ingelmunster had a full make over. Several anthracite precast architectural concrete elements with a Satin finish were produced for this project. The central church is surrounded with plinths. At the entrance a staircase with integrated ramp is installed. The upper level of the staircase with ramp continues on the side of...
