

Eye-catching street furniture and slabs. Groenewijk park, Bruges, BELGIUM

Location: Belgium, Brugge

Public Space

Project details

Street furniture: picnic tables, benches and slabs with photo luminescent glow stone aggregates dominate the neighborhood park Groenewijk in Bruges. In consultation with the local residents, this neighbourhood park Groenewijk was redesigned by the City of Bruges to create more space for playground equipment and street furniture. It also became clear that the children often play with the step and a step track was worked out. Urbastyle produced the Fino red coloured slabs with photo...
