

Urbastyle street furniture close to the summit of Jebel Jais, UAE

Location: Ras al khaimah, UAE

Public Space

Project details

The new observation deck of Jebel Jais also features a multipurpose events area for which we supplied street furniture. Jebel Jais in the emirate Ras Al Khaimah of the UAE (United Arab Emirates) is a 1934 metres high mountain where a new observation platform has been installed with a multifunctional event area. The street furniture of this beautiful project is part of our standard collection. We supplied our Seed, Vile, Circular and Boomerang benches and the seat Nobend The...
