

Piazza Alta, Philadelphia, PA

Location: Philadelphia, PA

Public Space

Project details

For the new development of the Piazza Alta at 1104 Hancock St, Philadelphia the developer has chosen multiple designs of the Urbastyle by Wausau Tile range: Artculus bench, Galet VI bench and Cloud seat. For uniformity all different parts have been manufactured in the same ground and polished finish, the color is a custom blend. If you want more information on this project, please contact the local sales rep Jon Lattin.
