EUROPEAN INSPIRED AMERICAN MADE

Urbastyle by Wausau Tile features concrete site furniture that is designed to be accessible for all. Featuring numerous benches in all shapes and sizes with unlimited combinations, Urbastyle is a perfect choice for your site furnishing needs.

Throughout their evolution, Urbastyle has created relationships with architects and designers to develop quality street furniture collections with high quality value. They have made several innovations throughout the years and pushed the limits of concrete to better their quality and create functional designs for all to utilize. To this day, Urbastyle is the most important company producing concrete street furniture in Northern Europe.

Wausau Tile is proud to be the only American manufacturing company to create and distribute many of Urbastyle’s modern and unique site furnishing products throughout the United States.

With several different sizes and options available, the Articulus collection can be positioned to fit your space and your needs. You can also accessorize Articulus by adding a backrest.

Available in Acid Wash, Ground & Polished and Weatherstone - see pg. 43 for colors

WHO IS WAUSAU TILE

In 1953, Edward Creske founded Wausau Tile with a simple formula for success: quality and service. With Ed’s unwavering commitment to quality and personalized customer service, Wausau Tile has forged lasting partnerships with many architects, designers and companies worldwide. Our company has never wavered from Ed’s founding values which has ensured that the name Wausau Tile is synonymous with American craftsmanship, dependability and innovation.

Throughout the past six decades, Wausau Tile has grown to become the preeminent manufacturer of architectural concrete, terrazzo and metal products. We were the first American manufacturer of cementitious terrazzo tile and among the first domestic producers of hydraulically pressed concrete pavers. Today we are a leader in innovative sustainable manufacturing practices, using recycled materials and green technology, and our products are found in virtually every community in the United States.

Wausau Tile is the trusted choice for many of the world’s leading designers, engineers and building professionals. Whether they’re creating projects on Main Street U.S.A. or at iconic destinations such as Time Square or Cleveland Public Square, they choose to partner with our collaborative, creative and responsive team time and time again.
